

Empowering Military Spouse Entrepreneurship

Military Spouses make great entrepreneurs and small business ownership can be a transportable, flexible vocation that supports a military lifestyle.

Funding Your Business

Gain access to capital at any stage of business through various SBA-backed loan programs.

- ★ **7(a) Loan Program**
Small business loans up to \$5 million for facilities, equipment, inventory, and working capital.
- ★ **504 Certified Development Company Loan Program**
Long-term loans up to \$5 million for real estate and large equipment.
- ★ **Community Advantage Loan Program**
Loans up to \$350,000 for business personal property and working capital.
- ★ **Microloan Program**
Loans up to \$50,000 for working capital.

Additional SBA Resources

- ★ **SBA Learning Platform**
Whether you're looking to start a small business or expand your current one, SBA's digital learning platform has everything you need to educate yourself on entrepreneurial best practices and available financing options.

The U.S. Small Business Administration's Office of Veterans Business Development (OVBD) empowers military spouse entrepreneurs by providing the same counseling and training, access to capital, and disaster assistance provided to service members and veterans.

Starting & Growing Your Business

Receive management expertise through free counseling, training, and entrepreneurial education.

- ★ **Military Spouse Pathway to Business**
An in-person or virtual course tailored to military spouses interested in business ownership. Learn about the fundamentals of entrepreneurship and SBA resources available for starting your business.
- ★ **Boots to Business (B2B)**
Offered on military installations worldwide, service members and military spouses can learn business ownership fundamentals, analyze the feasibility of a business idea, and tap into SBA services.
- ★ **Boots to Business Reboot (B2BR)**
Delivers the Boots to Business curriculum to veterans of any era, National Guard and Reserve members, and military spouses in their local communities.
