Are you
WOSB READY ?

#WOSBReady | sba.gov/WOSBReady

This summer, there will be changes to the certification process for Women-Owned Small Businesses (WOSBs) and Economically Disadvantaged WOSBs (EDWOSBs).

#WOSBReady

Once the changes go into effect:

- You will no longer be able to self-certify as a WOSB or EDWOSB.
- You will have to either certify through an approved third-party entity or go through the Small Business Administration's (SBA) FREE online certification at **certify.sba.gov**.
